Stacy Domeier joined Roanoke Trade's Schaumburg Office in 2010 as Assistant Underwriter in the Surety Underwriting Department. After five years in this role, she advanced to a Level I Underwriter and subsequently was promoted to a Level II Underwriter. To further develop her knowledge base, Stacy joined the Product Support team to learn the technical side of Roanoke's client facing software programs. After some time in the department, an opportunity arose as a Marine Service Representative where she excelled and was promoted to Assistant Manager. The experience she gained as a Bond Underwriter and Product Support Representative has proven to be instrumental in the success of her current role. Stacy is a licensed producer in the State of Illinois. She also holds an Associate in Fidelity and Surety Bonding designation and has underwriting authority for the Munich Re Syndicate, Ltd.
